It will all be handled by American Legion National Headquarters online. If you need information on how to register, please call your area commissioner or Department Headquarters.

2011 Boys State Program

The delegate fee for each participant for the 2011 Tar Heel Boys State Program will be \$325.00. This increase is due in part to the increase in housing and meal costs at Catawba College. It is always a difficult decision to increase dues and or costs for our members and our programs. Your Boys State Committee takes into consideration all aspects of cost to run the program in a first class and professional manner. This is a onetime experience for these young citizens and we must make it the best it can be. The Boys State Committee thanks all of the posts for your support and encourage all of you to continue sending the best young citizens from your communities for a positive experience of a lifetime. The Boys State Committee Chairman and the Boys State Director are always available to you for additional information and assistance. Department Headquarters can provide their contact information upon request.
