

Advisory for Posts Who Have Not Filed a 990

Printed below is a listing of a number of American Legion Posts that have lost their tax exempt status.

The National Judge Advocate has asked me to inform you of the recent IRS announcement found in a June 8, 2011, New York Times article regarding organizations that have automatically lost their tax-exempt status because they did not file legally required annual report forms 990, 990EZ or 990N, for three consecutive years.

As stated in the New York Times article, the posts may file to get their tax exempt status back for a fee of \$100.00. More information will be sent out as we get it from national headquarters. In addition, tax letters cannot be sent to posts or units which have had their exempt status revoked until they are reinstated.
